Tammy Tries Baseball

By Dawn Brotherton

Competition between boys and girls is practically a staple of growing up, especially in activities where spirits run high—like dedicated sports teams. The Lady Tigers and the local boys' baseball team are no different. But through their ball-based rivalry, children from both teams learn not only to play, but to respect the other team's sport as well. Although baseball seems like a foreign game, Tammy and her friends learn that there are similarities to recognize and differences to explore in both sports. Trying something new can lead to wonderful discoveries and unexpected friends. At the end of the day, both baseball and softball players want the same thing: a great group of teammates, a healthy pastime, and lots of smiles as they take part in their favorite game.

Dawn Brotherton is an award-winning author and featured speaker at writing and publishing seminars. When it comes to exceptional writing, Dawn draws on her experience as a retired colonel in the US Air Force as well as a softball coach. *Tammy Tries Baseball* is book 5 in the middle grade Lady Tigers Series about girls' fastpitch softball, encouraging female athletes to reach for the stars in the game they love. Other books in the series include *Trish's Team*; *Margie Makes a Difference*; *Nicole's New Friend*; and *Avery Appreciates True Friendship*.
