Cavaliers and Friends: My Two Favorite Things

By Mary Colburn-Green

The book starts as a personal journey...why Mary became passionate about the breed and decided to devote the remainder of her life to helping Cavalier rescues and breeding healthy Cavaliers. The chapters include beautiful photographs of Precious Puppies; Cavaliers and Kids; Rescue Cavaliers (with touching personal stories); Sporty Cavaliers; Show Cavaliers; Regal; Funny Posers; and Golden Oldies. This book is the culmination of Mary's two addictions...Cavaliers and Facebook. Many photographs from her friends (Cavalier owners and breeders alike) are showcased in the book. It is 144-pages of full color delight.

A huge animal lover, **Mary Colburn-Green** has always had dogs, both purebreds and rescues. She currently lives with five Cavalier King Charles Spaniels that she spoils, writes about, and shows. Mary is dedicating the final chapter of her life to improving the Cavalier breed through writing books, supporting rescue and health-research, and breeding healthy dogs. Many of the 7000 worldwide Cavalier owners and breeders who are "friends" on Facebook contribute photographs and stories for her books.
