Worth the Wait

By Dawn Brotherton
writing as Misty Austin

Jamie is settling into her new job in Washington DC. The last thing she needs is a distraction. Then she meets Ben. Charming, considerate, and, yes, sexy. She finds herself thinking about him more often than she should. She struggles to keep her feelings in check while he works his magic to draw her closer. He's patient, but he can't be expected to wait forever. Jamie needs time to discover she deserves better than what she has, and Ben must decide if she's worth the wait.
